ST. PETERSBURG, FL - February 22, 2008. Michael Spreckelmeier of Progressive Builders, Inc-Fort Myers, FL has been presented with a 1st Place award for a renovation submitted in the “Residential Addition over \$250,000” category. The National Association of the Remodeling Industry (NARI) Tampa Bay chapter announced the winners for the 2008 West Coast Remodeling Awards at its annual Evening of Excellence held February 22, 2008 in St. Petersburg, Fla. Remodeling projects in more than 20 categories were submitted for judging to a panel of professional remodelers and designers. The winning projects represent the best in residential and light commercial remodeling projects.
