Ft. Myers, FL – 10/23/2007 – The Third Annual Progressive Builders, Inc Fundraiser BBQ, held on October 20, 2007 was a smashing success. Over 60 staff members, friends, family and subcontractors, gathered to raise funds for the Southwest Florida Ronald McDonald House located in Ft. Myers, donations total \$8,326.00 and are still coming in. The donations will be presented on November 16, 2007 at a breakfast hosted by Ronald McDonald House to celebrate World Children's Day.

Thank you to Michael Spreckelmeier, owner of Progressive Builders, and the host committee for all their hard work making this such a successful event. Amazing food and delightful music created the perfect setup for a night full of generosity and solidarity.
